

36th Annual Meeting

April 14-18, 2010
Omni Shoreham
Washington, DC

**Nurse Practitioner Education:
At the Heart of Health Care**

NONPF 36th ANNUAL MEETING

April 14-18, 2010 | Omni Shoreham Hotel | Washington, DC

Nurse Practitioner Education: At the Heart of Health Care

Dear Colleagues:

NONPF is turning 30 years old in April! We invite you to join us for another outstanding conference and a celebration. Nurse practitioner educators began meeting annually in 1974 to develop curricular standards and network, and the first 6 meetings marked the formative years of NONPF. By 1980, participants recognized the need for a national organization to represent and advance the ongoing needs for nurse practitioner education. Thirty years later, NONPF is a strong, influential organization working on our behalf.

The NONPF Board selected the conference theme of "Nurse Practitioner Education: At the Heart of Health Care" to highlight how foundational education is to quality health care. Nurse Practitioners are central to advancing new (and reformed) models in health care, and an ongoing commitment to quality nurse practitioner education is imperative to the preparation of this highly qualified workforce. The plenary sessions in the conference will address current topics impacting nurse practitioner education, such as competency-based assessment, LACE implementation, and influencing policy. The concurrent and poster sessions will continue to showcase the innovative work of educators.

It was by no accident that NONPF returned to Washington, DC for this historic conference. April is truly a wonderful time to be in Washington, DC. The cherry blossoms are in bloom, spring is well under way, and the city is vibrant with activities. The NONPF national office is based in Washington, DC, and we are pleased to be able to bring the conference back to our home town after 10 years. With all the work on health care reform over the last year, this city is definitely the focal point for health-related discussions.

The NONPF annual conference provides the unique forum to converge to discuss nurse practitioner educational issues. No other event offers this exclusive focus, as well as the opportunity to share ideas, have fun, and build ties with other NP educator colleagues. We invite you to join us look forward to seeing you in Washington, DC, for another special meeting.

Sincerely,

Sheila Melander, DSN, ACNP-BC, FCCM, FAANP
Conference Chairperson '10
Professor, University of Tennessee Memphis

Conference Objectives

Upon completion of the 36th Annual Meeting, participants will be able to:

- Review current US health policy initiatives and implications for NPs
- Discuss the implications of implementing the APRN Regulation Model
- Discuss competency assessment for the health disciplines
- Identify strategies for advancing NP educational policy issues
- Highlight new teaching strategies and Innovations for NP education

President's Address

Join Mary Anne Dumas, PhD, RN, FNP-BC, FAANP, for her "NONPF State of the Union" address during the annual business meeting on Saturday, April 17. Dr. Dumas will conclude her two-year term in April. In addition to her duties as president, Dr. Dumas is Professor at Stony Brook University and maintains clinical practice as an Adult NP in primary care at Northport VA Medical Center.

NONPF Welcomes New President

At the conclusion of the annual business meeting on Saturday, April 17, Shirlee Drayton-Brooks, PhD, FNP-BC, CRRN, FAANP, will begin her two-year term as NONPF president. Dr. Drayton-Brooks is Associate Professor and Director of the Family Nurse Practitioner and Doctor of Nursing Practice programs at Widener University. She is a board certified family nurse practitioner who maintains practice at a faith-based health clinic in Philadelphia, PA. She also is serving a 4-year term as an HHS Secretary appointee to the National Advisory Council on Nursing Education and Practice (NACNEP).

Plenary Sessions

Our opening Thursday session will provide a Washington, DC insider's view on current US health policy and the status of health care reform, including opportunities for NPs. The conversation during the Friday morning plenary session will focus on the implications for nurse practitioner education with LACE and implementation of the Consensus Model on APRN Regulation. Competencies are at the heart of NP education, and on Saturday morning we will hear from across the border on strategies for competency assessment as well as a discussion of a systems approach and ensuring competency versus proficiency. On Sunday, we return the focus to policy activities with a specific look at how NPs and NP educators can shape the future for NP practice.

Hotel & Travel

Hotel Information— Reserve Early

The 36th Annual Meeting will be held at the Omni Shoreham Hotel. The Omni is one of Washington's most historic and beautiful hotels in the city. The Hotel is located within a few blocks of the city's metro rail subway system, which will give guests easy access to The White House, Smithsonian, the Capital, and many more sights in Washington, DC.

An on-site sports club, brand new spa, swimming pool, whirlpools, and restaurants, are just a few of the many amenities available for guests. The Omni also is located on 11 acres of woodlands that overlook Rock Creek Park and is close to many of the city's popular attractions. The National Zoo, Dupont Circle, Embassy Row, and Adams Morgan are within a short reach. The hotel is offering NONPF attendees the special rate of \$239 per night. Reserve your room now by going to the 36th Annual

Meeting page on the NONPF Web site or by going directly to Omni Online Reservations <http://www.omnihotels.com/FindAHotel/WashingtonDCShoreham/MeetingFacilities/NationalOrganizationofNursePractitionersFacultiesAnnualMeeting4.aspx> To obtain special perks during your stay, including complimentary Internet service in your hotel room, go to the Omni Hotels Web site (<http://www.omnihotels.com/SelectGuestProgram.aspx>) and click "Join Now."

Transportation

The Greater Washington, DC area is serviced by three major airports: Baltimore/Washington International (BWI), Washington Dulles International, and Ronald Reagan Washington National Airport. In addition, Union Station provides frequent train service on Amtrak to most major cities along the East Coast corridor.

REGISTER ONLINE:

www.nonpf.org and select "Register for 36th Annual Meeting" option under ACTIVITIES section of Web site.

Exhibits & Sponsorship Opportunities

NONPF welcomes applications for exhibits at the NONPF 36th Annual Meeting. View the exhibit form for more details at www.nonpf.org. The registration deadline is March 18. Contact the NONPF office with questions about exhibits and sponsorship.

Registration

We recognize that Washington, DC is an expensive city, and we have done our best to minimize your expenses beyond the hotel and travel by maintaining a low registration price (markedly lower than other national conferences) that includes most of your meals. The meeting registration fee covers admission to all plenary and concurrent sessions, the exhibits and poster displays, Thursday evening reception, continental breakfast each morning, Friday and Saturday lunch, and the Saturday evening banquet. A special spouse/guest registration is available to provide access to the social activities (Thursday reception, Friday lunch, & Saturday dinner), and extra tickets are available for the Saturday dinner. NONPF offers a group discount of 5% per person for institutions registering 3 or more people for the conference. Register online through the link on the NONPF conferences Web page or use the registration form on page 12. Contact the NONPF office at 202-289-8044 with questions or for the group rate.

Contact Hours

NONPF is applying for continuing education approval. Credit hours will be awarded for preconference seminars, plenary sessions, concurrent sessions, and dedicated poster presentation viewing times. Estimated contact hours for the general program (including plenary, concurrent and poster sessions) is 18 and 3 for each preconference.

Washington, DC

It is the nation's capital, the hub of health reform activities, and home of the famed Cherry Blossom Parade. Washington, DC is a beautiful, vibrant city in April and will offer a wide array of entertainment options to visitors. The 36th Annual Meeting page on the NONPF Web site will feature extensive information about exhibits, performances, and activities going on in Washington, DC, over the dates of the conference.

Special Events & Activities

Leadership Breakfast

The NONPF Board of Directors is pleased to initiate its first annual fundraising Leadership Breakfast. The purpose of the event is to provide an opportunity for members to meet and chat with national nursing leaders over breakfast. Attendees will be able to query leaders individually and/or collectively to provide insight as to becoming engaged in national leadership roles both within nursing and interprofessional groups. The fee for the breakfast is \$100, and the number of attendees will be limited. Please join us for this exciting opportunity to support NONPF and connect with nursing leaders.

Poster Sessions

NONPF will be offering again this year the APEA Outstanding Poster Awards. A unique set of poster presentations will be on display each day with designated times in the program for poster viewing. The Thursday afternoon posters will be on display in conjunction with the opening of the exhibit hall prior to the opening plenary session. Electronic posters will be on display on Friday and Saturday during poster sessions. CE credit will be available for each day that participants view the posters.

SIG Meetings

The NONPF Special Interest Group (SIG) meetings will be held on Friday, April 16, 12:30–2:00 pm. Meeting space will be provided for existing SIGs: Academic Nursing Centers; Acute Care; Distance

Learning; Gerontological; International; Program Directors; Psychiatric-Mental Health; and Research.

Tour Options

On Friday afternoon, a guided walking tour of the historic Kalorama Neighborhood is available. The tour will begin from the Omni Shoreham, cross over beautiful Rock Creek Park, and take participants back into history. The highlight of the tour is the Washington National Cathedral, which took 83 years to complete. Participants will have time to explore the Cathedral and its gardens before returning back to the hotel. The approximate tour time is 2 hours. Anticipate heavy walking, including some hills and steps. Tour cost is \$15 per person.

On Friday evening, see the Federal City aglow at dusk! On this bus tour, participants will tour the magnificently illuminated memorials and beautifully lighted Capitol dome. Some of our highlights to view from the bus will be The White House, Capitol Hill, the Kennedy Center, and the Georgetown Waterfront. The tour will include the opportunity to step off of the bus and spend more personal time with the following memorials:

- FDR Memorial
- Lincoln Memorial
- Vietnam Wall and Korean Memorial
- Iwo Jima Memorial (which offers a beautiful view of the city from across the Potomac River)
- World War II Memorial (Washington's newest memorial)

The tour departs at 7:30 pm and will take approximately 2.5 hours. The tour cost is \$35 per person.

Orientation

The Member Resources Committee is hosting an orientation session entitled "Getting to Know NONPF: An Information Session for Preceptors and Newcomers." The committee invites individuals who are first-time attendees, new members within in NONPF,

and/or primarily hold a preceptor role in NP education to attend this welcome session on Thursday, April 15, 4:30 PM.

Welcome Reception

NONPF invites you to the opening social event of the meeting on Thursday, April 15, 7:30 – 9:00 pm. Immediately following the presentation of the Lifetime Achievement Award, attendees can join colleagues for a networking and ice-breaker reception.

Annual Recognition Awards

NONPF will present the annual recognition awards during the evening dinner on Saturday, April 17.

Saturday Evening Dinner

On Saturday evening, the NONPF Conference Committee has planned a dinner at the National Press Club. Share a piece of history – see what has been a part of Washington life for nearly 100 years. This club has been host to all of the Presidents of the United States since Theodore Roosevelt, as well as to kings and queens, prime ministers, premiers, senators, congressmen, cabinet officials, ambassadors, scholars, entertainers, business leaders, and athletes. After hors d'oeuvres, attendees will enjoy a seated dinner followed by the annual awards presentation. A special revue shall also be a feature of the evening to mark NONPF's 30th birthday celebration.

Fun Run

Join NONPF colleagues for a scenic run or walk along the picturesque Rock Creek Park on Saturday, April 17. Maps, T-shirts, and more will be available at the conference.

Preconference Seminars

WEDNESDAY, APRIL 14

PRECONFERENCE 1: Pharmacology Update 3:00-6:00 pm

Margaret Fitzgerald, DNP, FNP-BC, NP-C, FAANP, CSP, president and the principal lecturer of Fitzgerald Health Education Associates, is offering this seminar to provide NP educators with current knowledge as well as content for valuable “teachable moments” in pharmacology. This session will provide updates on (1) guidelines for the treatment of hypertension, dyslipidemia, and others, as released, (2) newly approved products (including antimicrobials and others, as these are FDA approved), and (3) latest boxed warnings and

other FDA mandated warnings about existing medications. Participants will receive 3 pharmacology contact hours for this session.

THURSDAY, APRIL 15

PRECONFERENCE 2: Health Policy for NP Educators: A Briefing 8:30-11:30 am

Nurse practitioner faculties have the challenge of preparing the next generation of NP advocates. As seen with the reactions to recent proposals for health reform, just as many challenges lie ahead for nurse practitioners as do opportunities. Faculty need to keep abreast of current policy issues and stay engaged in advocacy work to lead the way for student engagement. This session will provide NP educators with updates on policy issues of most relevance for NP education and practice (e.g., New Delivery Models – ACOs, Patient-Centered Primary Care, Graduate Nursing Education, Title VIII funding, Home Health, Health Reform, and more). Participants will receive guidance on working with government agencies and legislative offices (federal and state) to advance NP issues, as well as strategies for engaging students in policy activities.

THURSDAY, APRIL 15

PRECONFERENCE 3: Building NP Competence in Genomics 1:00-4:00 pm

The era of genomic healthcare – personalized healthcare – is upon us, and clinicians increasingly must understand genetics and genomics. Nurse practitioner faculty report challenges in identifying the critical content to integrate into nurse practitioner curricula. This session will provide NP educators with background information about personalized medicine and the human genome project, an overview of key issues, presentation & discussion of new

graduate level competencies for nurses in genetics, and detailed content focus on pharmacogenomics. Presenters are Manju T. Beier, PharmD, FASCP, CGP, Senior Partner, Geriatric Consultant Resources LLC; University of Michigan and Karen E. Greco, PhD, RN, ANP-BC. President of International Society of Nurses in Genetics; Contractor, National Cancer Institute Genetics Branch.

THURSDAY, APRIL 15

PRECONFERENCE 4: Reimbursement Update for NP Education 1:00-4:00 pm

Carolyn Buppert, NP, JD, returns to NONPF to provide an update on reimbursement issues for nurse practitioners. Many nurse practitioners' salary and job security depend upon an employer obtaining third-party reimbursement for the practitioners' services. A new graduate who has had some education about billing and coding will have a selling point to offer when seeking employment. This session provides faculty with current information on subject matter that should be taught NP students, as well as provides practical information for their own practice activities. Carolyn is the author of *The Nurse Practitioner's Business Practice and Legal Guide* (3rd edition, 2008) and *The Primary Care Provider's Guide to Compensation and Quality: How to get paid and not get sued* (2nd edition, 2005), both published by Jones & Bartlett Publishers
